Fellowes Home Laminator

Mars A4

Mars A3

MARS A3

The Fellowes® Mars Home Laminator

- offers numerous laminating possibilities with minimal adjustment in a user-friendly design
- perfectly suited for occasional use at home
- single temperature setting for laminating 75 and 80-micron hot pouches
- designed for A4 / A3 size applications up to 220mm / 330mm wide
- heats up in just 7 minutes and completes an A4 size lamination in less than 1 minute
- attractive gloss white, wipe clean surface makes this the ideal home laminating solution
- advanced temperature control for consistent lamination quality and anti-jam design for best results
- visual indicators clearly signal when the laminator is ready to use
- compact size for easy storage
- carry handle for portability
